The Price Update

Dear Friends,

We have traveled roughly 5,000 miles since the middle of February and have been home roughly ten days during that time. The Lord has tremendously blessed as we have been involved in five different missions conferences since the middle of February; each one has been a blessing to us. We look forward to the next two months as we gear up to be in several different churches before we leave for France.

As we look back on the short time we have been on deputation, we have

seen God amazingly bless our lives. It has been wonderful to see Him provide for our needs financially on several occasions from sources that we would never expect. The Lord has also

answered prayers in ways that have encouraged us tremendously. We have seen Him faithfully protect us as we travel many miles. He has continued to enable

us to fill our calendar with meetings, and He has provided a home for us at very little cost for rent. God has given so much to us. We praise the Lord to see Him working in and through us.

Prayer Requests

- Pray for our safety while we travel to and from France and to different meetings.
- Pray that our time in France will be profitable and that the Lord will burden us to work in a specific city.
- Pray that others would begin to support our ministry and that we will be able to make ends meet once Melissa quits work in May.

France Missions Trip

The Lord has provided tremendously for us. We will be leaving for France on May 26 and returning to the U.S. on June 14. We were able to find plane tickets for a good price and were able to pay for them through the love offerings that churches have been giving to us. God has shown Himself faithful in pro-

viding the money needed to get to France. Pray that we are a blessing to the missionaries we visit and that the Lord will specifically burden us for a city to plant a church. We will be visiting southern France for two weeks where we feel the Lord is leading us to serve.
