The Price Update

Merry Christmas and Happy New Year. We want to praise the Lord for the many blessings that He has given to us and also to say thank you to all who have given and prayed for us this past year. We were able to have our evangelistic conference in October where we were able to distribute 2,000 invitations. Through this outreach, we had four visitors for the conference. These last two months have also given us the opportunity to see two ladies saved through the ministry of the

church here in Saint-Gaudens. One of the la-

dies (Genevieve) found one of the invitations for the evangelistic conference on the side of the road and has been coming to church since the beginning of November. Please pray that God would encourage Genevieve as she is going through many struggles

in her life right now. The other lady (Julie), we met at the Bible stand in Saint-Gaudens. We were able to bring her to church the following Sunday where she prayed to accept Christ as Savior before returning back to New Caledonia where she lives. Please pray for the evangelistic outreaches that we have scheduled for January. We will have a music concert on 01/03 and an evangelistic conference on 01/30 concerning Baptist history in France.

Requests & Praises

- Praise the Lord for the two ladies who were saved.
- Praise the Lord that we have seen new visitors coming to the church.
- Pray that God would bless the Music Concert at the church on 01/03.
- Pray that the Lord would use and bless the evangelistic conference at the end of January.
- Pray that the Lord would continue to bless the Bible stands and the door-to-door ministries of the church.

Montréal Bible Stand

We have wanted to start another Bible stand in a city called Montréal for some time now. In the Spring, we requested permission from the Mayor's office to setup our Bible stand at the weekly market. After going through all summer without hearing anything, we had decided to see what we could do in just showing up at the market. We were able to setup our

Bible stand for three weeks, but on the fourth week, we were told that we would no longer be able to do so. A city councilor passed by the Bible stand and was not very happy with the fact that we were there. Although there had been no problems, and the man responsible for distributing the places for the stands at the market had seen no problem with us being there, we

were denied permission to setup our Bible stand. Please pray that God would open another door of opportunity in this city to share the Gospel message.
