### Requests & Praises

- Praise the Lord for the several new contacts that we have.
- Praise the Lord for new supporting churches.
- Pray that God would work in the hearts and lives of those who come to the camps this summer.

### The Price Update

Praise the Lord for His blessings. God has encouraged us through several circumstances lately. We are preparing for the summer to begin. Life will be getting busy here in the near future. We will again be involved in the camp ministry that we helped in last summer. The camps begin the first of July. Please pray that God would work in the hearts and lives of those who come to the camps. We will also be helping build a new cabin at the camp in the next couple of weeks. Please pray that goes

### New Contacts

In the last couple of months, the Lord has blessed us with several new contacts with whom we have been able to share the Gospel. Several of these, such as Antonio, Frederick, and others, have come through the door-to-door ministry

well also. On June 20, we will be having another evangelistic conference at the church in Saint-Gaudens. The title of the conference is, "Life after death, should we believe in it." Please pray that God would bring visitors to the conference to hear the message of salvation. We have also asked permission to setup our Bible stand in Montréjeau,

a city near us. We are waiting on permission from the mayor at this time. We are praying that we would be able to set up at the market on Mondays and distribute literature there as we do in Saint-Gaudens and Aspet. Pray that the mayor would have an open heart and allow us to set up our Bible stand.

that we have begun. It is exciting to see God bless the spreading of his Word. At beginning of June, we had a church picnic where we had several new contacts come who do not come to church. There were two English speaking couples, one of which is saved, and a French family that came out to spend the day with the church. We met the one English speaking couple,

who is unsaved, in our French classes. Please pray that God would work in the hearts and lives of these contacts and those we meet going door-to-door.
